

Tuition Adjustment Application

Your tuition contribution enables the School to pay the teachers a salary for the entire year. This tuition contribution enables the School to support the life of the teachers, who in turn, can carry out their responsibilities with the students. The tuition contribution is the means by which the relationship between the teacher and the students can be sustained.

Please complete all questions, date and sign the application and return it to the office with a copy of your signed 2008 Federal Income Tax return with all forms, schedules, W-2s, K-2s and a recent paycheck stub.

To participate in the tuition adjustment program, you are expected to hold Waldorf education high on your list of financial priorities. An adjustment is not intended to support discretionary items such as a second home, investment portfolios, debt-free status or large amounts of home equity. Having any of these situations does not preclude an adjustment but should be taken into consideration in relation to the school's needs. The school also expects your contribution to be on a 12-month basis, July 1, 2009-June 1, 2010.
